

Although this task is a beautiful and noble one, it is not easy: our modern world wants nothing so much as to do away with the supernatural order of grace. Naturalism is at the root of the Revolution that is overturning in all domains the sovereign order of God. Ours is then a supernatural warfare and that is why we count on your prayers and sacrifices. Please pray for us: the Sisters, the teachers, the students and their families, that we may do God's will, no matter what the cost.

After your prayers, your material support is also very welcome. The inevitable expenses connected with a school are many and necessitate fundraising. *"Whatsoever you do to the least of my brethren, that you do unto Me."*

Donations can be sent to the school using the envelope provided. They may also be given to the Sisters (please indicate that it is for the school) or transferred to the school account by direct deposit. The school's bank account details are as follows:

Account name: St Dominic Savio School
BSB Number: 012395
Account Number: 230356328

May God reward you a hundredfold for your generosity and your support... and He will! We pray each day for all of our benefactors: the prayers and sacrifices of little children are very powerful before God, so you can be sure to receive many spiritual riches in return!

With the assurance of our grateful prayers,
 Sister Mary Theophane, Principal

13th February, 2015

Dear Friends and Benefactors,

As a new school year opens, our little battalion comes to confide itself to your prayers.

In a world that makes much ado about "results", it would be easy, in our small school, to get discouraged and to ask oneself, *"What's the use?"* The answer can be found in our catechism. *"God made us to know, love and serve Him in this world in order to be happy with Him in Heaven."* That is why Saint Dominic Savio School exists, that is why we persevere year after year, that is why, no matter what the odds, we will continue to fight: so that God be known, loved and served by these little souls, His children!

And the results? They will be, above all, supernatural ones, and as you know, the smallest bit of supernatural life is worth more than all of natural creation combined. If our students leave Saint Dominic Savio School with a solid knowledge of their Catholic Faith and of God's reality, a fervent love for their heavenly Father and Mother, and a firm will to serve God as He desires, then come what may, our school has "succeeded". *"A soul that rises, raises the world."*
